

How can the Math Resource Center help with my math course?

1. Free math tutoring:

- Math tutoring for all TCC math courses from Pre-Algebra to Calculus 3, as well as Statistics.
- Physics tutoring is now offered through the Science Department
We have a private tutor list available for those interested in hiring a private tutor

2. Textbooks, student solution manuals, computers and calculators

- SE TCC adopted math textbooks, student solution manuals
- Both scientific and graphing calculators
- Use of our computers for your math homework or your laptop
Free to use in the MRC with a TCC ID only

3. Online Collection of math resources at <http://semathlab.wikispaces.com>:

- Practice tests for 0361 and 0362
- TSI study materials
- Free Wi-Fi

4. Workshops and /or Reviews

- Test reviews for 0361 and 0362
- Calculator workshops for both graphing and scientific
- Jim Bolen Math Competition and various other math subjects
